COME TO WORSHIP

Lord, we have gathered.
Lord, we have come to meet with You.
Our hearts are hungry,
anticipating more of You.

Though our words may seem so simple,
be enthroned upon our praise.
Lord, we worship You
in spirit and in truth.
We're astounded by Your mercy,
we're amazed to find such grace.
Lord, we give ourselves
completely unto You.

We have come to bring You worship
and to celebrate Your grace.
We declare Your majesty
here in this place.
And the only motivation
for the things we say and do.
We've come to worship,
come to worship You!
