

My Hope

Nothing will change if all the plans I make go wrong
Your love stays the same
Your light will guide me through it all
I'm hanging on I'm leaning in to You

Nothing can reach the end of all Your faithfulness
Your grace is with me
Through ev'ry shadow ev'ry test
I'm hanging on I'm leaning in to You
I don't know where You'll take me
But I know You're always good

My hope is built on nothing less
Than Your great love Your righteousness
I will not walk another way
I trust Your heart I trust Your Name
I'm holding on I'm holding on to You

You are my Rock when storms are raging all around
You shelter me God
I'm safe with You on solid ground
I'm hanging on I'm leaning in to You

Oh I'm holding on I'm holding on to You
I'm holding on I'm holding on to You (3X)
I'm holding on to You
Yeah I'm holding on to You holding on
I'm holding on to You yeah
I'm holding on to You
I'm holding on to You

My hope is built on nothing less
Than Your great love Your righteousness
I will not walk another way
I trust Your heart I trust Your name
